Build Tool	sbt, maven

Educational Details

- **BE** from IES's College of Technology, Bhopal MP in 2013-2017 with CGPA 7.83.
- **HSC** from SAINIK SCHOOL Kapurthala, Punjab in 2011-2013 with 60%
- **SSC** from SAINIK SCHOOL Kapurthala, Punjab in 2010-2011 with CGPA 9.2.

Projects:-

Project #1-

Technologies used :   Scala, play framework,
Methodology   **:**   Agile
Duration   :   December 2017-till date
Role   **:**   Scala Backend Developer

Project Profile: -
We work on smart cameras which have AI-based intelligence, video analytics is the power behind the smart camera. With the widest and most-deployed range of video analytics available today for CCTVs and smart cameras.

Key Contributions:
- Design and implement RESTful APIs.
- Implemented OAuth2(authentication service) module to support 3rd party apps and Alexa(echo-show) Integration.
- Implemented Server Side Encryption to store our media on AWS S3.
- Enhance the solution to make it capable of handling more requests per minute.
- Cassandra database driver upgrades.
- Enhanced the solution to reduce CPU utilization.

Project #2:

Technologies	:	C#, .Net
Methodology	**:**	Agile
Duration	:	August 2017-November 2017
Role	**:**	Desktop Application Developer

Project Profile: -
Video Surveillance Management increases safety and physical security. It has many modules like webApp, SASD(Desktop app), media server(for live streaming) etc.

Key Contributions:-
- Implement features and fix bugs in Desktop App.
- Improved build system to make it easy for developers/QAs to create build with latest changes/fixes.

STRENGTHS
- Pro-active and dynamic.
- Flexible
- Team Leadership.
- Resourceful team member.
- Comfortable for challenging requirements
- Good Client Communication

AWARDS & ACHIEVEMENTS

- Received multiple client Appreciations for
  - Critical deliveries
  - Improved the response time for services and
  - For successful implementation of the new module.
- Earned **Golden Badge** for Problem Solving on Hackerrank.
- Earned **Golden Badge** for Java on Hackerrank.
- I was the part of *"Smart India Hackathon, 2017"* organised by the Ministry of Electronics & Information Technology(MeitY) Government of India.
- Participated in a coding contest organized by CODEACE and secured **27 th rank** and got a **cash voucher & certificate.**
- Pass A, B certificate with grade 'A' and C certificate with grade 'B' in **NCC**, also got **best shooter** award during camp.
- I am an **Athlete** (Long Racer), played **Football** at zonal level, **Volleyball** at All India IPSC Level (Team position was 3 rd).
- Was gold medalist in **Light fly** weight category **Boxing** at school level.
- Attended 15 days **Mountaineering camp** in Manali (Himachal Pradesh).

HOBBIES/ AREA OF INTEREST

- Art & Painting(won prizes at **district** level & participated upto **state** level).
- Playing Chess(won prizes at **zonal level)**.

Personal Details

- Date of Birth: 4th Feb 1996.
- Linguistic Proficiency: English, Hindi & Punjabi.

PLACE: PUNE   **SARDAR SURYAKANT**
